

# The McCabe Educational Trust DIARY OF THE YEAR 2005

## APRIL

We are grateful to all the supporters of McCabe who helped us distribute £30,000 to very worthwhile ventures in the last year.

A special **Thank You** to McCabe pilgrims who have helped us raise **£2,854.65** during the month of April

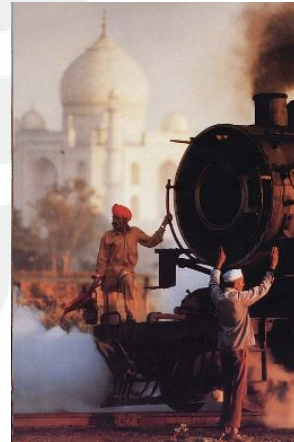

With your help, we will continue helping those in need we encounter on our travels.

Our trustee Canon Peter Nicholson is in regular contact with our two sponsored boys at Dr Graham's Homes in Kalimpong. Jason is now 14 years old and Bruno 15. It is a privilege to hear how they are developing and maturing. We began our interest in these boys 11 years ago when they were introduced to the Homes from very unpromising circumstances. Now nearing the end of their education, the correspondence is very much two ways and they take a great interest in life in Britain through Peter's stories about a world so different from their boarding school in the foothills of the Himalayas.

Our contact with these boys began when a McCabe group visited the Homes in 1993. Since then McCabe has organised a biennial journey to this remote and beautiful part of India. Over the years other McCabe travellers have adopted boys and on each visit we try and support something new. An orchard is now flourishing in remembrance of the late George McCabe, one time Farm Manager at the Homes.

The next visit is planned for 28 February to 14 March 2006 led by Revd John Webster who succeeded George as Farm Manager at the Homes and who now works ceaselessly raising funds for this enduring work.

Why not come and see for yourself? The McCabe tour includes Delhi and the Taj Mahal before flying north to the tea plantations of Darjeeling and Kalimpong where the visit to the school and its environs is a magical experience for all involved.
