

An interesting pilgrimage to Rome and Assisi

We spent four nights in Rome and three nights in Assisi. We were given an expert guided tour of the main sites in Rome and heard about their history and significance to the development of the Christian faith. We also had opportunities to share worship together with each other and with our tour guide. We then moved on to Assisi and its quiet and reflective atmosphere provided a welcome contrast to the bustle, noise and crowds of Rome. It was moving to follow in the footsteps of St Francis, be shown the key sites in his life and to sense the peace that he felt and preached to everyone.

Rating for McCabe Pilgrimages:

The tour operator was very good. The whole trip was very well planned so we could see as much as possible in the time and not be too exhausted. The hotels chosen were comfortable with excellent food, the travel arrangements all ran smoothly and we had an excellent local guide who became a friend and part of the group. I found this a very easy way to ensure I saw the most important sites and was well looked after the whole time.
