My pilgrimage with McCabe to Santiago helped me fulfil a life-long ambition

We flew out to Bilbao and then walked a few miles along the Camino each day, going on by coach to our overnight destination and then continuing along the route next day. We also had guided tours of some of the places we passed through (Pamplona, Burgos, Leon) as well as Santiago itself. All the hotels we stayed at were really excellent and we had an excellent local guides. This tour was all I wanted it to be and it helped me fulfil a life-long ambition to follow the Way of St.James.

Rating for McCabe Pilgrimages:

I have now done three pilgrimages with McCabe and they have all been excellent.
